*Open to any registered Quarter Horse. Registration papers required with entry. Classes will run in accordance with AQHA rules. Held at June show only. **PLEASE REFER TO THE AQHA HANDBOOK FOR FURTHER CLASS SPECIFICATIONS AND DEFINITIONS OF DIVISIONS.***

**AQHA Showmanship - Western attire only.** Open to any age exhibitor. No whips or bridles. Exhibitors will be worked individually from the gate with an order of go. Exhibitors are scored from 0-100 with 70 denoting an average performance. Judged on exhibitor's poise, confidence, appearance and position throughout the class, as well as the horse's overall body condition, fitness, and cleanliness.

**AQHA Halter – Western attire only.** Horses will walk to the judge one at a time. As the horse approaches, the judge will step to the right (left of the horse) to enable the horse to trot straight to a cone placed 50 feet (15 meters) away. At the cone, the horse will continue trotting, turn to the left and trot toward the left wall or fence of the arena. After trotting, horses will be lined up head to tail for individual inspection by the judge. The judge shall inspect each horse from both sides, front and rear. Rating conformation depends upon objective evaluation of the following four traits: balance, structural correctness, breed and sex characteristics, and degree of muscling.

**AQHA Western Horsemanship** – This is a patterned class. Exhibitors will be worked from the gate individually with an order of go. The whole class, or just the finalists, must work all three gaits at least one direction on the rail. Exhibitors are scored from 0-100 with 70 denoting an average performance. Judged on exhibitor's overall poise, confidence, appearance and position throughout the class, as well as the physical appearance of the horse. Walk/Trot classes will be judged the same except no loping in pattern or rail work.

**AQHA Hunter Seat Equitation** - This is a patterned class. Exhibitors will be worked from the gate individually with an order of go. The whole class, or just the finalists, must work all three gaits at least one direction on the rail. Exhibitors are scored from 0-100 with 70 denoting an average performance. Judged on exhibitor's overall poise, confidence, appearance and position throughout the class, as well as the physical appearance of the horse. Walk/Trot classes will be judged the same except no cantering in pattern or rail work.

AQHA Western Pleasure – Open to all ages. Horses 6 years old and older must be shown in bit. Horses 5 years old and under may be shown in either a bit, hackamore or snaffle bit. This class will be judged on the performance, condition and conformation of the horse at the discretion of the judge. Horses to be shown at a walk, jog, and lope both ways of the ring on a reasonably loose rein without undue restraint. A moderate extension of the jog is required in at least one direction except for L1 exhibitors. At the option of the judge, horses may be asked to extend the jog or lope both ways of the ring. Must back easily and stand quietly. Horses are to be reversed to the inside. They may be required to reverse at the walk or jog at the discretion of the judge but shall not be asked to reverse at the lope. Walk/Trot classes will be judged the same except no loping.

AQHA Hunter Under Saddle – Horses to be shown under saddle but not to jump. To be shown at the walk, trot and canter both ways of the ring. Horses should back easily and stand quietly. Judges should emphasize free movement and manners. Judged on performance, condition, and conformation. At the option of the judge, all or just the top 12 horses may be asked to hand gallop at one time. No more than 12 horses to hand gallop at one time. At the hand gallop, the judge may ask the group to halt and stand quietly on a free rein. Walk/Trot classes will be judged the same except no cantering.

AQHA Ranch Riding – All classes shall perform Ranch Riding Pattern #1 in the AQHA rulebook. The purpose of the ranch riding class is to measure the ability of the horse to be a pleasure to ride while being used as a means of conveyance from performing one ranch task to another. The horse should reflect the versatility, attitude and movement of a working ranch horse riding outside the confines of an arena. The horse should be well-trained, relaxed, quiet, soft and cadenced at all gaits. The ideal ranch horse will travel with forward movement and demonstrate an obvious lengthening of stride at extended gaits. The ideal ranch riding horse should have a natural head carriage at each gait. For horses three years of age and older. **No horse may cross enter, a western pleasure or walk/ trot western pleasure and ranch riding class at the same show regardless of division (youth, amateur, select or open).**

Class requirements: Each horse will work individually, performing the required gait maneuvers and minimum of three optional maneuvers. Horses will be scored on the basis of 0 to 100, with 70 denoting an average performance. Maneuver scores are to be determined and assessed independently of penalty points. The required gait maneuvers will include the walk, trot, and lope both directions; and the extended trot and extend-ed lope at least one direction; as well as stops, and back. The optional maneuvers may include a side pass, turns of 360 degrees or more, change of lead (simple or flying), walk, trot, or lope over a log(s); or some reasonable combination of maneuvers that would be reasonable for a horse to perform or encounter during ranch work.

**Required Apparel and Equipment** - No hoof polish. No braided or banded manes or tail extensions. Trimming inside ears is discouraged. Trimming bridle path is allowed, also trimming of fetlocks or excessive (long) facial hair. Equipment with silver should not count over a good working outfit. Silver on bridles and saddles is discouraged. It is suggested competitors use a breast collar and a rear cinch.

Horses shall be penalized for any unnecessary delay while approaching or negotiating the obstacles. Horses must not be required to work on the rail: however, course to be designed for horses to show the three gaits between obstacles. To be judged on performance of the horse over obstacles, with emphasis on manners, response to the rider and quality of movement. Walk/Trot classes will be judged the same except no loping in pattern. See page of 155 of the AQHA rulebook for further details.

Mandatory obstacles include: (1) Opening, passing through and closing gate, Losing control of gate is to be penalized. (2) Ride over at least four logs or poles. These can be in a straight line, curved, zigzag or raised (See AQHA rulebook for spacing); and (3) backing through obstacle - backing through and around three markers, or grounds poles in the shape of a L, V, U, etc.

Optional obstacles include a water hazard with no slick bottom; serpentine obstacles at walk or jog, to carry an object from one part of arena to another (only objects which might reasonably be carried on a trail ride); crossing wooden bridge 3' x 6'; to put on and remove slicker; remove and replace material from mail box; sidepass around or through obstacle; 360 turn in square; or any other safe and negotiable obstacle that could reasonably be expected to encounter on a trail ride.
