1. **Exhibitors are responsible for knowing the requirements and specifications of the classes they enter. Exhibitors may be disqualified or penalized by the judge for using inappropriate or incorrect tack/attire for the class or not doing your pattern correctly.** A complete list of class specifications and proper attire and equipment are at the end of this prize list. The judges decision is final.
2. **HELMET RULE - ASTM/SEI approved helmets with a secured chin strap are required for ALL RIDERS 18 & under.**
3. **SHOW FEES** – All classes are \$8 each. A \$10 office fee per entry will be assessed to cover the cost of mailing fees.
4. **PAYMENT/REFUND TERMS** – Entry forms and payment are required by midnight at least 2 DAYS BEFORE the start of the classes you want to enter. Exhibitors can pay with a debit/credit card in the online form or via PayPal/Venmo. See instructions on our website. Debit/credit card payments will be processed within 48 hours of receipt of entry form. **No refunds without a vet/doctor note.**
5. **RIBBONS/PRIZES** – Ribbons/prizes will be mailed to each exhibitor so please **make sure you are putting your full mailing address on your entry form.** Show champions receive a \$50 Visa gift card and ribbon; reserve receives a small prize, 3rd-8th receive ribbons only.

**** VIDEO PERFORMANCE REQUIREMENTS ****

1. You do not have to wear formal show clothes, but exhibitors must wear appropriate riding attire for seat being exhibited. See “Proper Tack and Attire” in the rules section. The secretary will provide you with a show number and you must make sure your number is listed in your posts.
2. Exhibitors will need up to two people to assist them depending on the class. One to video their performance and call out gaits if needed, and one to be a pretend judge for showmanship.
3. It does not matter what video device you use, but please keep the video as still as possible and do it at an appropriate distance to the exhibitor. For best video results, it is highly suggested that you...
 - **Zoom in if the exhibitor is farther away so the judge can better see the exhibitor.**
 - Make sure there is enough lighting that the judge can easily see the whole horse and rider. If you are using an outdoor arena, don't video in the early morning or late afternoon where the sun could impair parts of the video.
 - Keep any other activity in the ring while videoing to a minimum to avoid distraction.
 - Use an appropriately sized space when recording riding classes - do not use a small ring or round pen. An open space such as a flat pasture or lawn is also OK to use.
4. Videos must be one constant performance. Exhibitors may not cut or edit the video in any way or they will be disqualified. Exhibitors may use the same video for multiple classes if they choose.
5. Patterns are provided on the website and will be posted on the FB page.
6. **Exhibitors may enter a class more than once with a different horse but will need a separate entry form for each horse; and horses may compete in the same class with different riders. You will need a different number for each horse/rider combination.**

FOR MODEL CLASSES:

- While exhibitor holds horse, videographer will walk around the horse slowly videoing all sides, pausing for a few seconds on each side. Horse should stand square and be relatively clean. Braiding/banding and hoof polish is not required. Exhibitor should not obstruct view of horse.

FOR SHOWMANSHIP CLASSES: You will need cones or markers as indicated in the pattern.

- This class requires two people - a videographer and pretend judge. The videographer should stand just slightly behind and to the right of judge.
- Exhibitor to perform pattern. Once exhibitor has completed the “set up for inspection” section in their pattern, the pretend judge will walk around the horse counter-clockwise back to position. The exhibitor can then finish their pattern.

FOR RIDING CLASSES:

- For walk/trot classes, exhibitors will have 2 ½ minutes to perform a walk and trot/jog both ways of the ring. Road Hack will have 3 minutes to perform a walk, trot/jog, and extended trot/jog.
- For youth/adult classes, exhibitors will have 3 ½ minutes to perform a walk, trot/jog, and canter/lope both ways of the ring. Road Hack will have 4 ½ minutes to perform a walk, trot/jog, extended trot/jog, canter/lope, and hand gallop.
- Upon completion of performance, exhibitor may come to the center of the ring as they would in a regular class and stand for a few seconds for final impressions.

FOR PATTERN CLASSES (Disciplined Rail, Ranch Riding, Ground Poles, etc):

- You will need cones, markers, or poles as indicated in the pattern. Exhibitor to perform pattern as indicated.

***** AFTER JUDGING *****

Once all entries have been uploaded for each class, the judge will start evaluating them shortly after. Results will be posted on our Facebook page for each section as soon as we get the results from the judge. Please note that because the judge must view every entry individually instead of in a group like a normal show, it may take a few days to get results, especially if we have a lot of entries, or if the judge can't view the videos right away. We reserve the right to add/replace judges if needed. Exhibitors will be mailed their ribbons and any prizes so please remember to **write your FULL address on the entry form.**
